MEMBERSHIP HAS ITS BENEFITS

Chicago United is the premier thought leader in advancing inclusion. Our signature programs, initiatives and research provide the tangible tools your company needs to transform culture within your organization.

Our nearly 100 member companies include Fortune 500, large, mid- and small-sized businesses, minority-owned businesses, as well as civic and nonprofit institutions.

Membership Benefits:

- **C-Suite Sessions** (*formerly the CEO Roundtable Series*): An exclusive series of four panel discussions focused on “Elevating Equity in Business,” led by senior leaders who are implementing innovative strategies within their respective industry.
- **Diversity Officer Roundtable Series**: Peer-to-peer learning sessions, facilitated by executives responsible for their organization’s diversity strategies, that investigate current trends and leading practices for less common challenges.
- **Employee Resource Group Symposium**: A prime opportunity to learn best practices from experts on creating models for highly effective resource groups that advance business imperatives.
- **Mid-Level Manager Series**: A series of programs designed to equip mid-level managers with the leadership skills to build collaborative and effective teams and further impact their organization’s diversity, equity, and inclusion practices.
- **Emerging Leader Series**: A series of programs that empower young, diverse professionals. Through exposure to Chicago United’s Business Leaders of Color, participants gain insight into assessing and navigating corporate culture toward career advancement.
- **Minority Business Partnerships Program, including The Five Forward Initiative™**: A network of Chicago area corporations who select five local minority firms and commit to helping them develop and grow in scale over a period of five years. Participating companies receive benchmarking tools and partnering minority firms receive capacity-building assistance, including coordinated resources from technical assistance agencies and nonprofits to address their individual needs.
- **Business Leaders of Color (BLC)**: A program that identifies candidates for corporate Board of Directors’ positions. The men and women we select are innovative, global thinkers who are ready to provide shareholder value in a changing world. For the past 18 years, Chicago United has identified 470 diverse executives that have served in over 300 corporate board positions.
- **Corporate Inclusion Institute* (CII)**: A talent development program that drives business performance through inclusion. Founded in 2019 to address challenges within the middle management pipeline, CII helps businesses harness the power of inclusion and promotes cultural transformations.
- **Inside Inclusion**: A research publication that provides a complete review of the status of diversity and inclusion progress in Chicago’s top corporations.

**The fee to enroll in the Corporate Inclusion Institute is \$20,000.*

“

Diverse representation matters. If people of color are at the table where decisions are made and policies are set, then more innovation occurs and shareholder value increases. This is more than a moral imperative. Membership with Chicago United helps your organization remain competitive.
